Students may transfer up to 30 credit hours from previous graduate level work, only if these courses are appropriate for the Clinical Psychology Program and meet the guidelines established by the Graduate School. In general, students are not allowed to transfer credit for clinical coursework. Please see p. 42 of our Student Handbook <https://healthpsych.uncc.edu/information-students-and-faculty> for more information. All clinical students are advised that our program typically requires 5 years on campus plus one year of internship.

Program Costs

Description	2020-2021 1 st -year Cohort Cost
Tuition for full-time students (in-state)	\$4,337.00
Tuition for full-time students (out-of-state)	\$17,771.00
Tuition per credit hour for part-time students (<i>if applicable enter amount; if not applicable enter "NA"</i>)	NA
University/institution fees or costs	\$3,129
Additional estimated fees or costs to students (e.g. books, travel, etc.)	\$1,600

Since our program's inception in 2005, all students have received a graduate assistantship that may carry an expectation of up to 20 hours/week of work (e.g., as a teaching assistant or research assistant), renewable for up to four years. In addition, students with an assistantship receive a full tuition waiver for up to five years and health insurance coverage. We expect that these programs will continue, unless the state funding picture changes significantly. However, students are always responsible for paying the university fees.
