Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students may transfer up to 30 credit hours from previous graduate level work, only if these courses are appropriate for the Clinical Psychology Program and meet the guidelines established by the Graduate School. In general, students are not allowed to transfer credit for clinical coursework. Please see p. 43 of our Student Handbook ([https://healthpsych.uncc.edu/sites/healthpsych.uncc.edu/files/media/HPSY%20Student%20Handbook%202017-2018%20FINAL\\_0.pdf](https://healthpsych.uncc.edu/sites/healthpsych.uncc.edu/files/media/HPSY%20Student%20Handbook%202017-2018%20FINAL_0.pdf)) for more information. All clinical students are advised that our program typically requires 5 years on campus plus one year of internship.

All clinical psychology graduate students receive a graduate assistantship that may carry an expectation of up to 20 hours/week of work (e.g., as a teaching assistant or research assistant), renewable for up to four years. In addition, students receive a full tuition waiver for up to five years and health insurance coverage. We expect that these programs will continue, unless the state funding picture changes significantly. However, students are responsible for paying the university fees.
